

A circular arrangement of digits from pi, starting with 3.14159265358979323846264338327950288419716939375105820974945923078164062862089986280348253421717067982148086513282306647093844609550582317253594. In the center of the circle is a large blue Greek letter pi symbol.

The image features a vibrant, celebratory design for Pi Day. On the left, the words "PI DAY" are written in large, bold, red, rounded letters. To the right of "DAY", there are three stylized blue pi symbols of varying sizes, each accompanied by a small yellow star. The background is white, and in the top left corner, there is a logo consisting of five colored circles (green, blue, yellow, orange, red) arranged in a curve, with the word "KIDPILLAR" written in a black, sans-serif font below them.

Bubble Measurement

Measure the diameter and circumference of the bubbles and calculate the value of Pi in each case.
